

# DELUXE BI-FOLD DOOR LOCK #312

## Easy Installation—No Tools Needed

1. Place on top of door

2. Close door

3. Slide over hinge

### To Install

1. Place the Door Lock on the top of the door away from the hinged area. Note: Door Lock is shown with optional wand.
2. Close the door with the Door Lock in place at the top of the door.
3. Slide the Door Lock over the hinged area to prevent door from opening.

For thinner doors, place insert into the Door Lock, align with two openings and snap into place.

Note: This product is designed to help minimize accidents. Use of this product is not a substitute for adult supervision.
